1931 - 1956

On this occasion, which celebrates the successful completion of the Club's Silver Jubilee Year, the members of today wish to pay tribute to the founder-members—notably Mr. A. S. Eves, our President, and Mr. E. Jenner, now President of the Sussex Centre, National Cyclists' Union, who took the chair at the inaugural meeting of the Club. We also remember those who fell during the War, and whose names are inscribed on our Memorial Trophy, and those members who carried on the Club as an active concern during those dark days. Many of the present members have served in the Forces and returned to us, and today our thoughts are with those who are absent on National Service—we wish them a speedy and safe return.
