Mr. F. G. Beckett, who repre-

Tandem-tricycle men got standard

A successful attempt on a standard of 6hr. 20min. for a Southern Road Records Association London (Lewisham) to Hastings and return tandem-tricycle record was made by Hastings and St. Leonards Cycling Club members Maurice Carpenter and Micky Dunn, the latter being a first-claim member of the Catford C.C.

In spite of atrocious weather they covered the 112 miles in 5hr. 39min. 45sec., 40 minutes inside the standard and only 3½ minutes outside a 20 m.p.h. schedule they had set themselves.

Five club members rode out to Ashburnham for the annual autumn meet and luncheon of the Kent and Sussex Fellowship which was presided over by Harry Kingsmell, Kent Road Club.

Next Sunday's run will leave from the Harrow at 9.15 a.m. Tea at Ashburnham.
