NOTES

Riders and spectators are requested to leave the start and finish areas free from vehicles and park so as not to cause a nuisance. Please do not pester the time-keepers - all times will be on the result board near the finish as soon as possible. FRAME NUMBERS will be used - riders should collect them before starting and hand them in after finishing. A vehicle will be available to transport clothing from the start to the finish. Refreshments will be available at Hubbards Cafe near the finish but once more it is emphasised that discretion must be used when parking vehicles. Please remember that many people will still be asleep and keep noise down to a minimum. Finally all riders are wished a most enjoyable and successful ride and any comments regarding the organisation of this promotion (good or bad) are welcome AFTER the event. Best of Luck.
