Dear Secretary,

You have already received copies of an R.R.A. handout on record breaking. I enclose a copy of our own Southern handout which I would like to see included in all club magazines, the format of which varies from club to club, and so we would appreciate the enclosed being pinned in your copies or as a loose inset, please let me know the number of copies you require, by letter, or ring me on any of the above numbers as soon as possible.

We feel this will get record breaking to every cyclist, rather than doing a notice board screed. Trusting you or your magazine editor will be able to co-operate in this request.

Wist best regards.

Yours in Sport

Alec. O. Wingrave
HON. GEN. SECRETARY
