Time Keeper

JUST A FEW WORDS

For the first time in 7 years we have new names in the winning bracket, congrats to John & Clive, and several other teams on returning fast times on such a cold morning.

Grateful thanks to the chilly marshals: Eric Kent, Ray Wickens and Bruce Allcorn. And none to my Boship Marshal who over slept ! Surprise, surprise nobody went off course this time.

Ken Savage and Ron Rogers were flue victims so Ken Griffiths had fun as sole pusher off.

Pete Baker traelled all the way from Maidstone to execute the efficient time-keeping, many thanks.

Thanks are certainly due to Iris & Barbara who took on running the refreshment department at short notice and to Stan Conolly as chief washer-up.

1975 weather hasn't been exactly encouraging for cycling so far, so I thank everyone for supporting my event. Hope you will akk be back next year even if its only to see what the 1976 result board has in store.
