Dear Esther,

I enclose list of the Club T.Ts. with roster for the timekeeping, and hope that you will be able to oblige. Please let me know if you are unable to do any so that I can re-arrange. For any particular date you can, of course, arrange for any other Club timekeeper to take your place. Ernie is "spare" and is willing to stand in anytime if his work duties permit.

Many thanks for getting the certificates done. I thought that they were very good and the boys were quite pleased with them. I did not seem to get an opportunity to thank you at the Dinner.

Yours sincerely,
