Course Q10/1 ***

Start on the A.2018 at the clearway sign past Heather Drive. Proceed west to Dartford Heath Roundabout where left to join A.2. Proceed along the A.2 to turn left on the slip road to Bean B.255 to join junction with bridge over the A.2. Turn right then right again ** to retrace to Dartford Heath Roundabout. Turning left off of the A.2. on slip road A.2018. Proceed around the roundabout (extreme caution) to take the third exit to finish at a point 15 yards short of the last drain hole cover before the M.O.T. Junction sign to Dartford Heath North. Riders should then continue along the A.2018 and take the first turning on the left before dismounting.

** At the normal two way traffic system in operation on the bridge over the A.2. riders must take great care when turning right and ensure that they are in the correct lane whilst on the bridge.

** IMPORTANT

At the time of printing it is understood that the roadworks on the Q10/1 Course will be finished before Easter. If, however, the roadworks are not completed the event will be run on the Q10/18 (Pepperhill - Cobham) Course (starting on B.262 south of A.2. road). If we go to the alternative course the event will start $\frac{1}{2}$ an hour late. We will try to inform "Cycling" of the course to be used.
