OFFICIAL RESULT

SECRETARY'S SOAPBOX VOL. II

We congratulate all Prizewinners, thank all competitors for honouring us with an entry and Helpers & Officials for so ably giving of their time and energy.

The good news is that we were graced by fine weather so, although we tooled-up for the worst, many of our facilities were not needed.

Quite a number of riders achieved personal bests which is reassuring on a course not renowned for its speed potential.

The bad news is that we annoyed the inhabitants of the cottage at Iron Pear Tree corner. They complained to the fuzz so we can't use that site any more.

There was also the 10 mile problem.

Despite everything we hope you enjoyed the event. If we run it next year we aim to incorporate a tandem event, increase the prizes and perhaps include a trophy.

Now read on.....

The prize for 90th Place has been awarded to 91st rider as two competitors tied for 89th position.

Being that there were only 109 finishers, the prize for 110th. Place was not claimed.

We therefore decided to present all the women riders with an award - consequently M/S. P. Pearson & Miss. B. Whitehouse will receive cosmetic tokens (who said chivalry was dead?).

 (Apology Received)

The comparison with Line 2 column refers to the entry form & indicates the value of the ride against the previously recorded current personal best time.

* There appears to be a controversy regarding the 10 mile position & timing. The event sec. measured the course in his car & independently checked in another car to within 0.1m. The times, however, do seem very fast. Consensus of opinion leans towards a 2 min. error. It's one of our teething troubles, which if you will bear with us, we will try to iron out next time.
