\* \* \* IMPORTANT \* \* \*

Competitors' cars MAY NOT be parked in the vicinity of the Start or Finish, there is ample parking space at the GRAVESEND EAST INTERSECTION which is the EVENT H.Q.

The nearby Cafe toilets are private property and are not to be used.

Please ensure quietness when collecting your NUMBERS AT THE START which is in a residential area.

The EVENT H.Q. is the Parking Area adjacent to the LONDON-BOUND carriageway, on the South Side of the A2 and is approx.  $1\frac{3}{4}$  miles from the Start, therefore please allow yourself enough time to get from the H.Q. and collect your number.

To get from the H.Q. to the Start: Turn left when leaving the car park, then turn right into Henhurst Road and follow the lane through to Cobham.

Please do not indulge in 'warm-up' rides through the Start or Finish Areas - this could spoil someone else's ride.

The Event Secretary thanks you all for your increased support and hopes that there won't be too many DNS's without good cause as he has heard from reliable sources that the 21 blokes who got their entries returned will be watching the race and making a note of the non-starters.....

It has been a problem again with so many "late start if possible" requests and as most of them are from long-distance wallahs or night workers I've tried to be fair in the circumstances. (Next year, requests for late starts will have to be written on pound notes).

Once you've finished chasing the traffic along the drag-strip you can enjoy the refreshments being provided by the "Ladies of the Dartford" and whilst you're waiting for the results you might like to keep track of how the Team Race is going, so I've set it all out below. It would be helpful if some of you can keep an eye on the result board as with nearly 400 calculations to be made the mobile computer we are using (me) might go wrong.

Oh yeh, please use the litter bins provided at the H.Q.....I was still clearing up on Monday, after last year's event.

Seriously though, thank you all for your entries, **KEEP YOUR HEAD UP** and have a good ride.

AF.
