* 18 seconds late start

Once more we had dry conditions throughout the event and even cow shed corner lacked its usual provocative aroma. However, I must apologise for the strong wind across the marsh that obviously finished a lot of rider's aspirations to do a good one, but do not despair, those wishing to improve will have the opportunity of doing so in the open 100 on July 23rd. Send your entries for this event to George Rogers, 4 Betsham Road, Betsham, Gravesend, Kent.

I would like to thank all marshalls and officials whose help made it possible to run this event, those being members of the Ashford Wheelers, Folkestone & District C.C., San Fairy Ann C.C. and Southborough & District Wheelers. Also those who so ably took care of the feeding arrangements - Dot Harding and Les Hayman with their happy band of followers and to Ron and Veronica Hayward who provided the refreshments at the finish - all from the Southborough & District Wheelers. Thanks again to Mr. Hubert Morris of Haylands Farm who so kindly provided the field for car parking and refreshment tent.

My sympathy goes to Mr. C. Bruce (no.12) who failed to start due to being in bed with mumps (a fine excuse !)
