COURSE Q.25/3

Start on B.2009, 200 yds west of Sole Street turning into Cobham, at farm track. Proceed east through Cobham to join A.2. Left on A.2 and continue to Black Prince, intersection A.223, fork left and take first exit at each of first and second roundabouts and rejoin A.2

Retrace on A.2 to Gravesend East intersection where left to finish at "drain" before Heaver Court Road.

IN THE INTEREST OF SAFETY RIDERS ARE ADVISED TO CONTINUE ALONG VALLEY ROAD AFTER FINISHING RATHER THAN ATTEMPT TO TURN INTO HEAVER COURT ROAD.

SPECIAL NOTICES

The start and finish areas must not be obstructed by motor vehicles other than those used by officials and timekeepers. There is ample parking facilities at the parking area on the south side of the A.2 at the Gravesend East intersection, where the Result Board will be displayed and refreshments provided. A drink will be exchanged for the competitor's number at the finish.

We hope to have all times recorded on the Result Board fairly quickly, so please do not bother the timekeeper for this information.

The start is 1½ miles from the parking area, so allow plenty of time before your start time, to this journey, also to affix Dayglo Body number which will be provided at the start.

PLEASE in the interest of our sport not too much noise at the start, as Cobham is an olde worldly sleepy village and at that time in the morning the residents, no doubt, will wish to keep it this way.

The course has all left hand turns but please take great care when joining the A.2 - in particular at all the slip roads, especially those leading to and from the Darford Tunnel.

Do not use the toilets at the cafe near the parking area; there is a public toilet in Cobham.

Mileage boards will be placed around the course.

NOTES

You have signed the entry form as being conversant with R.T.T.C. Regulations governing time trials, I would however ask you to pay particular attention to rules 48, 49 and 50 as contravention of these might well result in disqualification or even suspension. THERE WILL BE OBSERVERS POSTED ROUND THE COURSE.

We are proud to present a very competitive field against the watch, please therefore make your ride all your own work - GOOD LUCK AND DO WELL.
