On behalf of the Old Portlians C.C. I would offer our congratulations to the prize winners, and indeed thank all of the competitors for taking part. Our commiserations to the triers in the 2nd half of the field for a rather wet ride. Our sincere thanks are extended to the two timekeepers, the marshalls, checkers and other sundry helpers who contributed to a successful morning.

Finally I am pleased to report that nobody was observed riding in the middle of the road, taking pace, crossing the central reservation, riding with their head between their knees or doing any of the things that generate so much controversy in other parts of the world.

Well Done.
