Dear Mrs Carpenter,
Hastings & St Leonards Cycling Club

I thank you for your letter dated 13th October regarding your dinner dance on 27th January 1979.

I confirm that the prices of each dish selected are as stated but regret that I must ask for a further 10p per head if fresh cream be used instead of custard. In other words the price of the complete meal would be £2.75 each.

I have no objection whatsoever if one of your members provided the music for dancing and would allow use of the hotel grand piano.

I assure you of our continued best attention.

Yours sincerely,

Bruce Lee
