Dear Sir

LEISURE EXHIBITION - 19-20 MAY 1979

The St Leonards Rotary Club are organising a Leisure Exhibition in Hastings Pier Ballroom on 19 and 20 May 1979.

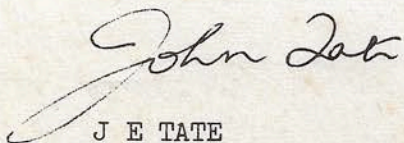

It is the intention to show the wide range of clubs and organisations that exist in the area to assist in the fruitful and enjoyable use of leisure time.

It is considered that it will at the same time give a golden opportunity to Amateur Clubs in the area to increase their membership and give wider recognition to their exploits.

Attached is a proforma indicating the conditions under which space is made available. It would be appreciated if you could indicate the amount of space required and the type of exhibits you would propose to show. Whilst space will be made available free of charge to amateur clubs, it should be used fruitfully and carefully to give the best type of presentation to the public at large.

Early return of the attached proforma would be appreciated so that detailed planning can commence. It is the intention to hold meetings of interested parties in due course to enable the full details to be worked out and to enable queries and problems to be resolved.

Yours sincerely

J E TATE
