Dear Esther,

I have booked the Club events and enclose a list which I think is as I had suggested to you. Graham Lade has sent me details of the Eastbourne R. events; they have a "10" at P. on March 11th at 9.00 a.m. so we might be able to run in conjunction. The circuit 24 is earlier this year and the 10 may suit some of the young Eastbourne riders. Eastbourne R. evening 10s. are from May 1st to Aug. 7th; and they are to run a series of Sat. morning 10s at Whitesmith on 1, 15 & 22 Sept. and on 6th Oct.

I will leave you to do any fixture lists, or pass on the above information, although I will of course be doing a roster for the timekeepers.

I have borrowed Ted Coussens' diary and note that he did 1,308 miles last year, making a total of 400,427 miles recorded in 50 years. I went to the Cemetery thinking the funeral was to be there at 2.30 p.m. and wondered what had happened until I saw Mrs. Coussens and learnt that it was at 3.30.

Yours sincerely

I have sent a list of our events to Graham.
