Start just South of the A2 in the Cobham Road, at a drain on the West Side, just South of the Shorne Bridge junction. Proceed to the A2 where left to the Black Prince interchange. Here turn ( $12\frac{1}{2}$  miles at centre) and retrace to turn left for Shorne Ridgeway and Cobham. The finish is located at the first drain as the slip road begins to curve, opposite the start of the centre hatching. All riders must continue to the top road before stopping. There is ample parking and toilets adjacent to the picnic area under the bridge. There is no parking for competitors at the Start or Finish.

Exchange your number for a cuppa with Pat Hill and her Gallant Band of Ladies at the finish.

The Kent Group wish you all a fast and enjoyable ride. You are all mature riders please behave that way and not give cause for complaint from any source.

Best of Luck
