Dear Mrs. Carpenter,

Further to my letter of 18th April, 1979 I have now been able to consider your Club members grant applications in respect of the British Cycling Coaching Scheme Youth Week at Crystal Palace in August 1979.

I very much regret that the very limited financial allocation for grant aid for the Hastings area must be given to voluntary organisations in respect of maintenance grants for premises and it will not be possible to give assistance towards any applications for training course expenses in the current financial year.

Perhaps you would be good enough to inform Dominic Windsor, Timothy Carpenter and Neil Mockridge that no grant will be forthcoming and I am very sorry that I cannot be of help this time.

Yours sincerely,

Area Education Officer
