Course Q25/3

Start just south of the A2 in the Cobham Road (B2009) at a drain on the west side just south of the Shorne Bridge junction. Proceed to the A2 where left (M) and continue on A2 to the Black Prince interchange (A223) where fork left (M). Continue to roundabout and take first exit (M). Continue over bridge (12.5 miles at centre) to roundabout and take first exit (M) and rejoin A2. Retrace to Shorne Ridgeway/Cobham intersection where left (M) to finish at first drain as slip road starts to curve opposite start of centre hatching.

Note: riders must continue to the top road before stopping - this is a clearway section.

Please note revised start and finish points

Notes for competitors

1. The start and finish areas must not be obstructed by motor vehicles other than those used by officials and timekeepers. There is ample parking and toilet facilities adjacent to the picnic area under the Shorne/Cobham bridge off the Cobham road close to the start where the result board will be displayed and refreshments provided. There is no parking at the start or finish for competitors.

2. Body numbers will be worn and will be available at the start. Please report in good time to have them affixed. Also please return them on finishing in exchange for a free drink. Numbers must not be worn folded.

3. Improvements - riders attention is drawn to Regulations 31 and 58. Please inform event secretary immediately.

4. This course is three lane dual carriageway except at the start and the turn and has all left hand turns. Extreme care must be exercised at all times especially at all the exit and entrance slip roads as many motorists erroneously believe the A2 to be a motorway. Keep your heads up ... the law, the regulations and your own safety all demand it.

5. It is requested that all riders, marshalls and spectators in any way connected with the event will be of exemplary behaviour especially as the car parking area is a public picnic area.

6. Please make every effort to start as entries had to be returned.

7. Riders are asked to pay particular attention to Regulations 50, 51 and 52 as contravention might result in disqualification or even suspension.

South Eastern D.C. events are liable to be independently observed.

8. Finally, C.C. Bexley wish all riders a safe, fast and trouble free ride.
