AWARDS will be presented at the end of the event.

COURSE Q25/4 (not as in RTTC Handbook). START on A299 at a marked point approximately 40 yards NW of Monkton roundabout. Proceed NW along A299 to St Nicholas roundabout (1.04 miles) continuing along A299 (Thanet Way) to Herne Bay roundabout (CARE) (7.11 miles); Greenhill roundabout (8.12 miles); Chestfield roundabout (9.97 miles) to Whitstable roundabout (CHECK) at junction with A290 Canterbury road. TURN (12.57 miles) and RETRACE to Chestfield (15.17); Greenhill (17.02); Herne Bay (18.03); and St Nicholas (24.01) roundabouts (avoid 1st exit to Margate) to FINISH approx 200 yards short of the Start.

Notes for competitors.

Please park cars on the grass verge on the South side of the road.

When finishing avoid U-turn because of the speed of the coast-bound traffic. It is far safer to circle Monkton roundabout and retrace.

South East DC events are liable to be independently observed.

BODY NUMBERS will be worn. Collect these at the start and hand back at the finish in exchange for a drink. Please wear the numbers full width, and don't pin them folded.

THANET ROAD CLUB wish you all a successful, safe and trouble free ride;
Remember HEADS UP - ACCIDENTS DOWN.
