Dear Mrs. Carpenter,

Please find enclosed entry forms for the Association's first two Time Trials of 1980.

I believe I have received an interim letter from you which may have also contained your Club's Affiliation fee for 1980 membership but have temporarily mislaid it! I do however recall that at our A.G.M. on 2nd December last your Club's application was accepted.

If the 1980 affiliation has not yet been paid we would appreciate a cheque for £2.50 as soon as possible if your Club intend to affiliate.

Yours in Cycle Sport,

Gordon Andrews.
