SPECIAL INSTRUCTIONS

NOTE 1. As an abnormal two way traffic system is in operation on the bridge over the A.2, riders must take great care when turning right and ensure that they are in the correct lane whilst on the bridge.

NOTE 2. Crash barriers on the right tend to cause a blind spot when approaching Dartford Heath Roundabout on the slip road. It is advisable to use extreme caution when turning right at this point.

NOTE 3. No cars will be allowed to park in the road near the start or finish. This section of the A.2018 is a clearway. Ample parking space is available halfway between the start and finish on the old A.2 road and in the car park on the corner where the result will be displayed.

NOTE 4. A hot drink will be available at the finish in exchange for your number. Please allow plenty of time before the start to affix your number.

RIDERS MUST TAKE GREAT CARE AT ALL SLIP ROADS especially at the Dartford Tunnel link junctions.

AT ALL TIMES KEEP YOUR HEAD UP. This event may be specially observed.

Best of luck to you all and hope your ride will be trouble free.
