The Event Secretary would like to apologise to all riders for the error at the Ringmer turn which was in fact .2 of a mile short. As you will see from the result sheet a further set of times have been calculated to give a time for 50 miles. These will be used when the B.A.R. is calculated. The actual times done on the day over the short course count for the event.

I would like to thank all who helped, especially Jenny, Pam and Shirley, the charming ladies who organised and served the refreshments, and Margaret who organised all the printing.
