Congratulations to the forty-three stalwarts who started, and finished, on a really atrocious rain-swept morning.

Thanks to the South Eastern Road Club members and friends who withstood the daunting task of a wet three-hour marshaling stint, to Mrs Joan Wood and Karen for manning the refreshment stand and to our two timekeepers Slim Slimmon and Bert Triggs.

Telephonic results communication was provided by the highly efficient Bromley Voluntary Civil Aid Service.

Apologies received from DNS numbers 19 - 24 - 36 - 44 - 64 - 73 - 95 - 109 - 117 and from Frank Syred who stood in as marshal at the A2 Black Prince turnoff.

All riders were photographed by Brian Low, 21 Hallwood Close, Rainham, Gillingham, Kent.
