

There will be observers on the course during the event.

Finally ensure the ride is all your own work -

GOOD LUCK AND DO WELL.

Your number may be exchanged for some liquid refreshment at the finish, where the result board will display within minutes, turn and finish times, so please do not worry the timekeeper for this information.

We hope to put mileage boards around the course.

Course Q25/3 (Revised 1980)

Start on B2009 (Cobham Road) about 150 yds South of A.2. proceed North to join the A.2. Westbound carriageway follow the A.2. to the 'Black Prince' Bexley intersection, where left on slip road, taking first exit out of first round-a-bout over bridge (centre of bridge 12½ miles) and again first exit out of second round-a-bout to rejoin A.2. along east bound carriage way. Continue along A.2. to the Dartford Tunnel turn off, where take slip road keep left at the top of the rise to proceed north along link road between end of M25 and Dartford Tunnel. Keep in left hand lane (Tarmac surface) after about half a mile take the next lead off, up the slope to elevated round-a-bout (the old A2) where encircle round-a-bout to rejoin 'link road' going south, again keep in left hand Tarmac lane and after about half a mile, filter on to slip road to join main A.2. East bound carriageway (total distance of straight out and back leg, about 1½ miles) Continue East on A2 to finish at a point in the centre of and underneath bridge spanning the A.2., at Gravesend East intersection - about 1½ miles West of the start.

Please allow at least 15 minutes to get from the car park on the south side of the A.2. - "Finish Area" where the result boards will be situated - to the Start, which will allow time to climb 'Laughing Water' and affix body numbers.

There are ample toilet facilities at the picnic area adjacent to the start which also has a Car Park - last minute merchants to note.

Remember in the interest of our sport, please keep noise to a minimum and avoid creating litter.

DO MAKE EVERY EFFORT TO START, as 110 would be competitors were unfortunate enough to have their entry returned.

When you are under way remember 'Heads Up Accidents Down' and take particular care when crossing the junctions on and off of the A.2.
