Course Details

Commence at lay-by off London-bound carriageway off A3 at Wisley Gardens. Proceed N.E. along A3 for 5 miles to A244 intersection, around Oxshott roundabout, back on to the A3 to the finish, which is quarter of a mile after Downside Lane at a point 85 yards after "Service 1 mile" sign. Beware single lane due to road works near finish. Watch for traffic emerging from the slip roads. The police are getting a little "twitchy" about this course so please keep your head up and observe RTTC regulations.

Car Parking

Surrey County Council ask that we park in the second car park. It is of course illegal to park on the verges. Body number will be available adjacent to the starter.

Refreshments

We are very sorry that we cannot provide you with tea or coffee this year. Previously we have made arrangements through the caravan situated in the main car park. However, we were informed last week that the price was now 14p per cup plus a £5 handling charge, i.e. a total of £21.80! Unfortunately there was insufficient time available to make alternative arrangements.

Starts

So many entrants requested a late start this year that it was impossible to accommodate all of you. Some of you will be disappointed but its worth being there early for the sunrise!
