

you forward
Dear Pearl,

I am writing first of all to apologise for none of our members being present at the BCF Dinner on October 31st. I waited until the last minute, as I thought Dominic might like to attend, but as you may know, he is attending a college in London now, and felt unable to make the journey.

Secondly, you asked for our nomination for President of the SCA. It was rather a surprise to us to be asked to do this, but a pleasant one nonetheless. We decided that Ron Powell would be a very suitable person to represent us, and hope that he will be acceptable to the Association. Ron's address is 7, Broad View, Bexhill, TN49 4HN, and his telephone number is Bex. 211124. Unfortunately, I shan't be able to attend the AGM, as Maurice and I have a longstanding arrangement to visit friends in Devon. However, I expect at least three of us to support Ron at the Lunch, and will contact Ken shortly.

Very best wishes to you both.

Yours sincerely,

Dear Esther,

It falls to the Hastings & St, Leonards C.C. to nominate the next president of the S.C.A. Please will you ask the committee to discuss this? There's plenty of time as the A.G.M. is not until the 15th, November, I will send agendas etc, nearer the time. I have enclosed a notice about the B.C.F. & S.C.R.L. Dinner, I hope some of your members will be able to attend.

Yours sincerely,

Pearl Wells

Hon, Sec.

RON POWELL.
