**PLEASE NOTE THE CHANGE OF COURSE.**

Due to road works at Canterbury, it has been necessary at very short notice (2 days after the closing date for entries) to change to the Headcorn course.

We are trying to arrange the use of a field for car parking and a notice giving directions will be placed at the cross roads on the morning of the event.

No team or riders shall take shelter from other vehicles or members of other teams.

The normal formation shall be single file, with the minimum amount of echelon to allow a view ahead. In passing other vehicles teams shall always form single file.

No racing between members of a team or between teams or individuals is permitted. If one team overtakes another the onus shall be on the overtaken team to avoid such racing by dropping back if necessary. Every rider in a team time trial shall be separately responsible for keeping a continuous lookout ahead and obey all laws, road signs and police signals.

Each team must wear jerseys of similar colour and design.

To qualify for an award riders must be from the same club, composite teams are not eligible for awards.
