Congratulations to all the prize winners and finishers for making this handicap event an interesting one to watch! My apologies for the change of course which was due to the police preventing use of the Frant/Rotherfield circuit.

My personal thanks for helping the event run smoothly goes to Roy Humphrey, Esther Carpenter, Val Baxendine, Baz Chilcott, Graham Lade, and Peter Baker (as officials) and to Curly Cavie (tea bar), Peter Crofts and Phil Boddy (cars), plus the twelve strong marshalling team and all the other Southborough & District Wheelers who turned out to assist.

The Club is also grateful for the attendance (in force) of the St.Johns Ambulance team and for the donations to the prize list from Bill Cuss. Bill is proprietor of the HILDENBOROUGH CYCLE CENTRE, 13 Brookmead, Hildenborough (tel 832325).
