COURSE Q25/3

Start just south of the A2. In Cobham Road (B2009) at kerb stone at southern end of green, about 150 yards south of A2.

Proceed to the A2 where left to Black Prince interchange take slip road to first roundabout, take first exit over bridge spanning A2. (Centre of bridge $12\frac{1}{2}$ miles) To second roundabout where again take first exit to join A2 eastbound carriageway. Proceed to Dartford Tunnel turn off where left to top of rise and left again to join link road between the end of the M25 and the Dartford Tunnel. Continue on northbound carriageway in nearside lane (tarmac surface) to slip road to elevated roundabout on the 'Old A2' circle roundabout to slip road back onto southbound carriageway of link road where again keep in nearside lane (tarmac surface) taking next slip road back onto the A2 eastbound carriageway (distance of this leg off the A2 about $1\frac{1}{2}$ miles). Proceed to Gravesend East intersection to finish under bridge spanning A2.

In the interest of safety, riders are advised to take special care when joining and turning off the A2 and also when passing intermediate junction. Riders must continue past the finish time-keeper turning left and left again over bridge, to car park on the south side of the A2 where times will be displayed promptly on the result board. Do not ask the time-keeper for this information.

Allow at least 15 mins. to cycle from the finish area to the start as this is about 2 miles east of the start and mainly up hill.

There are ample toilet facilities near the start and also a car park for riders who have 'cut it a bit fine'.

Good luck and do well and when you have given your 'All' you may exchange your number for liquid refreshment.

There will also be some 'nosh' at reasonable prices.

We hope to place mileage boards around the course and our club photographer Alan Hills will be taking photographs of each rider for inclusion into the result sheet.
