First of all I would like to congratulate Mick Ballard on winning the event and setting a new course record. Congratulations to all the other prizewinners and to all the competitors who rode and helped to make the event a pleasure to promote.

My thanks go to Mick Kilby and Reg Porter for timekeeping, Martin Chambers for doing the Turn, Ron Powell and Ernie Spray for pushing off, Mary and Robin Johnson for looking after the result board, Ian for relaying the times and to Sandie for arranging the refreshments with invaluable support from Taff.

Special word of thanks on behalf of the Club go to Ken Apps of Hastings who kindly donated a set of Weinman 605 Brakes to be presented to the most improved schoolboy.

Once again I would like to thank everyone who rode, came out to watch and any one I've forgotten to mention.

We were really lucky with the weather and maybe with your support next year we will get a full field for the event.

Thank You,

Alan Brooks
