Proceed westwards on A.27 through the Arundel Bypass to the Westhampnett roundabout. Take second exit on to A285 in to one way system at Eastgate Square, take first left on to A259 to the Bognor Bridge Roundabout. Take A27 west through Bosham, Southbourne and Emsworth stay on A27 over Warblington roundabout to the turn at Langstone roundabout. Retrace to Bognor Bridge roundabout, take first exit on to A259 into Chichester to Eastgate Square, keep right on one way system and take A285 out of Chichester to Westhampnett roundabout, second exit on to A27 and continue east round the Arundel bypass to the finish at Dovers Lane approximately 5/8 mile west of the starting point.

Ordnance Survey References: Start:TQ 073056. Turn:TQ 716058. Finish: TQ 060057

Generally regarding the course, while every effort will be made to have as many marshalls out as possible the onus is on the rider to know and follow the course. There are now two mini roundabouts between Westhampnett and Eastgate Square and you go straight over in both directions. As you retrace through the one way system in Eastgate Square in Chichester take particular care - do not go left.

Congratulations to all the prize winners and to those many riders
 who recorded personal bests to prove that this is a really fast
 course even on what was no more than an average morning.

Many thanks to Reg and Mrs. Porter for timing and recording, to Mike
 Kilby for the handicapping, to all the members of the Hampshire Road
 Club, Bognor Regis C.C. Worthing Excelsior and friends of the Sussex
 Nomads who marshalled, to Maureen and Sandra Lock and Jim and Connie
 Hughes for the canteen, to Tony Palmer for the result board, to Ray
 Douglass and Gordon Curd for pushing off and other jobs, to Andrew
 Lock for some 'O' level maths on the result board, and to Mr. X who
 organised the printing. Without these and others who gave their time
 so generously we could not have had such a record breaking and
 successful event.

Remember this was only the first of three B.B.A.R. promotions by the
 Sussex Cyclist's Association this season. Next is the Sussex Mutual
 Hundred on 11th July with entries to Ray Douglass by 29th June 1982.
