DETOURS   Riders marked with the letter A will do the Full Course
           Riders marked with the letter B will omit detour 2

           Riders marked with the letter C will omit detours 1 and 2

           <u>Detour 1</u> Selsey Roundabout on the A27 - West Wittering Loop 14.713m

           <u>Detour 2</u> Washington-Pulborough-Washington _ 10.628m

           The Chief Time Keeper or Event Secretary will close detours as
           appropriate to enable riders to reach the Finishing Circuit
           On reaching the Finishing Circuit each rider will continue to
           the next Timekeeper after his time has elapsed; the appropriate
           distance covered in the excess time will be adjusted.   Some
           additional adjustments will be made due to a new roundabout at the
           Southern end of the new Southwater By-Pass.

* NUMBERS Two numbers will be worn, a body number and a number on the left
           shoulder.
                   GREEN shoulder numbers worn by A riders
                   WHITE shoulder numbers worn by B riders
                   WHITE with YELLOW DISC shoulder numbers worn by C riders

COURSE   There will be approximately 60 marshalls around the course and whilst
           every care has been taken to ensure that you have no difficulty, the
           onus of keeping on course rest with each rider.   Please remember to
           keep on the A27 all the way back from EMSWORTH to OFFINGTON (junction
           with A24).   Do NOT go through Chichester Centre as in the S.C.A. "100".
           I suggest a few moments spent checking the course with a map would be
           worthwhile.   All riders MUST obey traffic lights on the Chichester
           By-Pass and at West Grinstead cross roads.

HELPERS   Helpers are reminded not to park their cars on the highway during the
           event so as to pose a nuisance to other road users, but to park if
           possible on a verge or lay-by.   This is to be particularly observed
           on the finishing circuit

           It is a R.T.T.C. District Committee regulation that no vehicla shall
           be parked on the highway near the start and finishing points

* NUMBERS Please return the numbers to the Timekeeper at your finishing
           point or to any Official should you retire.
