-----  
Congratulations to all the above prizewinners and thank you all for your support.

I would firstly like to thank Gordon Wilsher of Cycle Revival for his very generous contribution to the prize list which I think helped to make the event a success.

My thanks to Reg Porter and Mick Kilby for their timekeeping services. To Martin and Keith at the turn, to Tony for pushing off, to Ian for looking after the result board and of course to my wife Sandie for providing the refreshments.

Once again thank you all for your support.

Alan Brooks.
