---------------------------------	---	----------	-----------

On behalf of the Kent Group I would like to congratulate the prize winners and sincerely thank all those members and friends who gave their support both in time and cash so generously in order to make the event a success. A number of people who gave donations asked to remain anonymous - your generosity delighted us! Thank you all.

Roy Manser missed the main award by one second to that crafty old campaigner Arthur Dwyer, but was actual fastest and lead the winning San Fairy Ann team. Ace fixed wheel man Laurie Broad won the Fixed Wheel medal and featured in the First Team. Betty Woodruff, always consistent, headed the second team from Thanet R.C. - and it was nice to see Len Coomber getting back to his old form after his accident two years ago.

FOOTNOTES

1. Fred Cowling (Editor of The Veteran) and Kevin Neary (from Essex) both entered but had to cancel their entries for personal reasons. Both requested that their entry fees should be donated to the event - thank you gentlemen, it was much appreciated.
2. Dick and Gladys Mills borrowed and transported the king size easel for the result board, which was a big help.
3. The Ashford Wheelers totally surrounded the Charing R.A.B. and wouldn't let anyone leave the course - even if they wanted to!
4. The usual gang of 'old reliables' from Medway Velo Club, helped by a pair of 'Potters' and Theresa Mason, timed, supervised the car park, collected riders' numbers and commuted between finish and result board with the times.
5. Geoff Jones did his usual smooth job on the result board and Nobby Holdstock is recovering from pushing them all off.
6. Apologies for D.N.S. were received from Alan Gayfer, Tom Veitch and Alan Alldridge.

All the best,

*Brenda*
