CONGRATULATIONS to Betty Woodruff on winning not only the 'Wilf How' trophy (all comers) but also the G. W. Stanford Cup (Kent Group Members). With Frank Ford 2nd, Maurice Carpenter 3rd, Arthur Dwyer 4th and Wally Jameson 5th all were within 48 seconds on age standard!

Actual fastest was Dave Brimson in 36.21. It seems he has picked up a few tips from his brother-in-law Mick Ballard. Frank Ford shunned his usual team mate, Len Mason, and this time took the team award with the fixed wheel flyer, Laurie Broad, for the San Fairy Ann C.C.

A close finish too in the Ladies event with Anita Alldridge fastest in 43.25. Seven seconds more secured 2nd for Esther Carpenter, and Ann Hill clocked 43.42 for 3rd place and led the winning team with Miss A. Muspratt (Ashford Wh./Nico Sport/Cyclewise) We are indebted to Frank Ford who offered to pay for the extra two medals for the ladies team.

Another pleasant surprise was the extra award of a Sedis chain for the rider nearest to Wilf How's time in the 1982 event (46.11) 70 years young Harry Jones took this (46.16) in his first T.T. for years - a popular result. For this award we owe gratitude to Bert Dodd - thanks Bert, you're a toff (Harry Jones agrees!)

Despite a slight falling off in entries this year generally, the Circuit '15' keeps growing, so maybe we were on the right track seven years ago when it all started. Even the weather co-operates nowadays. My usual faithful band of marshalls made sure no one wandered off course and young Ian Buckle (Medway V.C.) gave up a chance to ride in a club '10' to ride back and forth from timekeeper to Village Hall with the results - thank you Ian.

Finally my sincere thanks to Bill Underhill, Brian and Lindsey Pucknell for holding the watches and Mim Pucknell for running the refreshments at very short notice. Without you all there would be no racing.

The generous donations given by several members ensured that after all expenses are covered, including the hire of the Village Hall, and medals, over £15 went to general funds.....Very satisfying.

All the best,

Ron.
