

All-rounder Vic Butler has another fast '100'

VIC BUTLER completed his bid for the Hastings & St Leonards Cycling Club's Best All Rounder Trophy on Sunday with the Eastern Counties Cycling Association 12-hour in Essex.

Despite rain for more than half of the ride, and a strengthening wind on the exposed northern section of the course, Vic came within five miles of the club record with 229.4 miles, and was placed in the top 20 on a day when a third of the 112 riders retired.

Mark Markowski, riding in the VC Etoile two-day over 155 miles, finished third overall, his best performance of the year.
