

CYCLING

ROBERT Allen continued his winning ways on Sunday, adding the 68-mile Kent League event at West Malling to last week's win at Hooe over 70 miles.

He outsprinted three other riders after being at the head of affairs throughout the race, and now only needs 10 points for his First Category licence.

Mark Markowski finished 11th in the Tooting BC event, an excellent ride against top class opposition.

Vic Butler, riding in the Wessex RC 100-mile event at Ringwood in the New Forest, reduced the club 100-mile record by more than 2min. Showing his best form this year, he rode to 4hr 22min 50sec, and now hopes for a good performance in next week's Eastern Counties 12-hour event in Essex.

Robert Sier, riding his third '100' in four weeks, reduced his best to 4hr 31min 8sec in the Wessex event.
