Dear Member,

Please find enclosed the latest Club Time Trial Calendar for 1984. This includes any changes that were intimated in the club handbook.

Unfortunately the RTTC have not seen fit to let us use part of the new Castleham course on Queensway as we had hoped.

However, as you will see, the dates in question have now been allocated to Pevensey; the full 10 miles of the Castleham course being available for early Sunday morning use only.

On this latter note, the new course details are as follows:

Castleham

Start on B2093 (The Ridge) by post office box 50 yds East of Pilot Road. Proceed Westward through 'Baldslow' to turn left onto Queensway at Ridge West. Continue via Crowhurst Road to turn at 'Wishing Tree' round-a-bout at junction with Ironlatch Avenue.

Retrace as outwards to finish at entrance of Hastings Borough Cemetery opposite start.

There are several events in the calendar for which I require marshals, these are mainly on the 'Sidley' course where a trip out to the 'Boship' round-a-bout is required.

If you can help or know of anyone who can, please contact me.

Happy wheeling

Keith Evans,
Time Trials Sec.
