Proceed westwards on A.27 through to the western end of the Arundel bypass where take first exit (Ford Road) to TURN by gap in hedge approximately 500 yards north of turning to Tortington. Retrace to Arundel bypass and take first exit and continue west to the Westhampnett roundabout. Then take second exit on to A285 into one-way system at Eastgate Square, Chichester, take first left on to the A259 to the Bognor Bridge roundabout on the Chichester bypass. Take A.27 west through Bosham, Southbourne and Emsworth and on to the Warblington roundabout (TURN). Retrace to Bognor Bridge roundabout, take first exit onto the A 259 into Chichester to Eastgate Square, keep right on one-way system and take A285 out of the town back to Westhampnett roundabout, take second exit onto A.27 and continue east straight through Arundel bypass to the finish at the sign "THE DOVER" approximately 5/8 mile west of the starting point.

Ordnance survey references: start TQ 073056. Ford Road Turn TQ 004050 Warblington Turn TQ 729060. Finish TQ 060057.

Generally regarding the course, while every effort will be made to have as many marshalls as possible the onus is on the rider to know and follow the course. There are two mini roundabouts between Westhampnett and Chichester and there are two other roundabouts between Bognor Bridge roundabout and the western end of the Chichester bypass all of these the route is straight over in both directions. As you retrace through the one-way system in Chichester take particular care not to go left.
