Race H.Q.

STANHOPE BARRINGTON C.E. SCHOOL
Emma Street, Stanhope

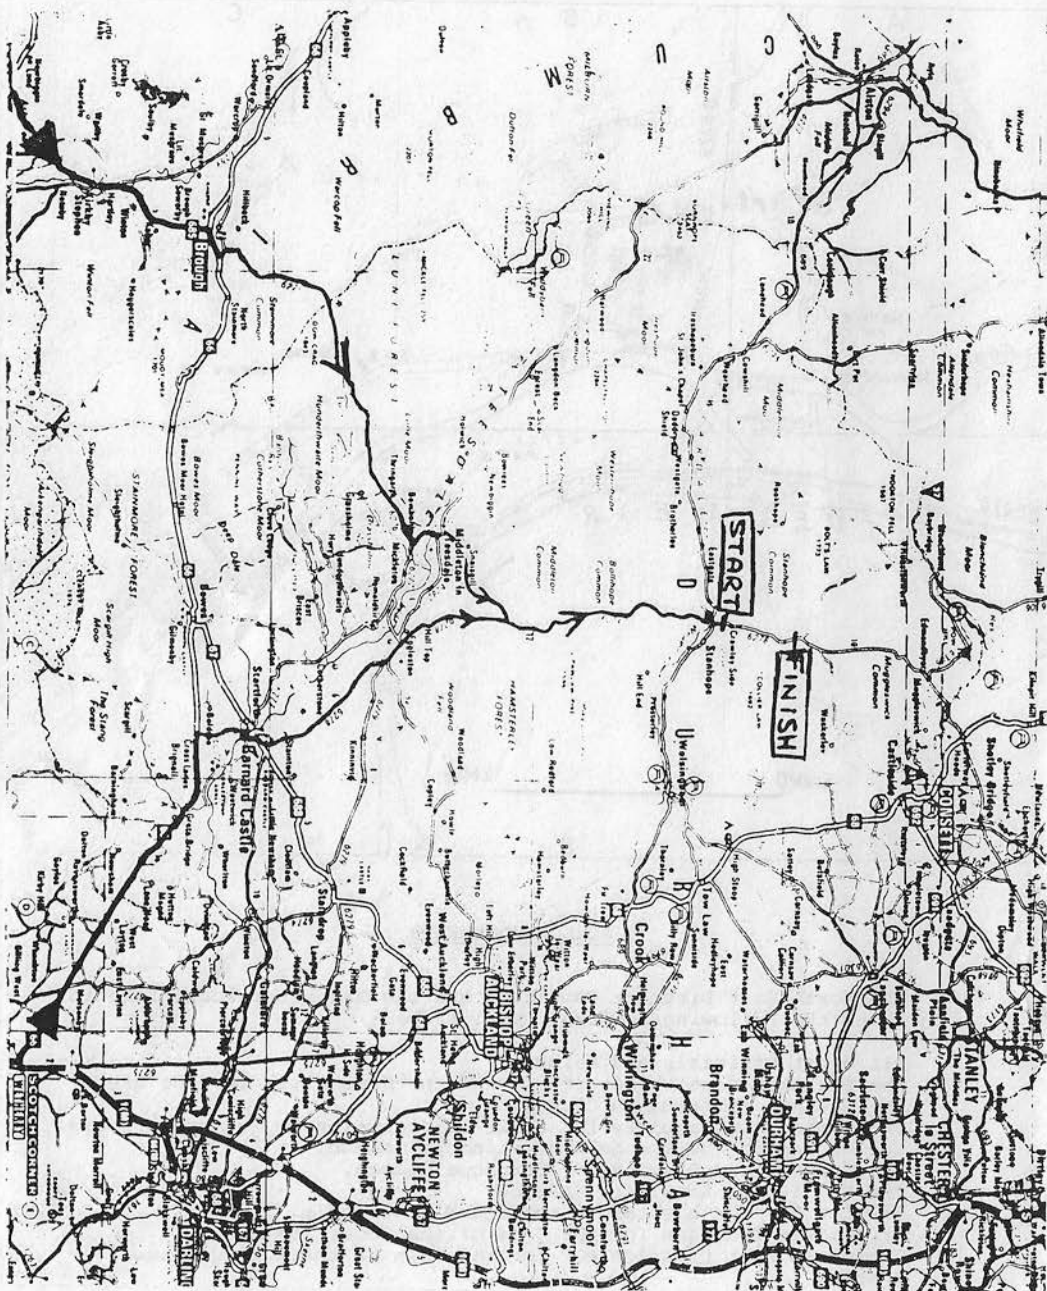

Course Details

START on B6278 north of Stanhope in line with drainage grid 30yards beyond telegraph pole and approx. 70yards beyond the last house on the west side of the road after the 30m.p.h. speed limit derestriction sign. Proceed north up the hill through Crawleyside village to FINISH at the brow of the hill approx. 10yards past grid on right hand side of the road and approx. 100yards before the road junction to Blanchland.

Course Profile

The first 600yards is a 1-in-8 gradient. The road then steepens through Crawleyside village to 1-in-6 to the ¼ mile point on the course. After crossing the cattle-grid the road reaches open moorland and the gradient averages 1-in-10 (slightly stepped climb) to the 1.85mile point. There is a short descent followed by a shallower sweeping climb to the finish.

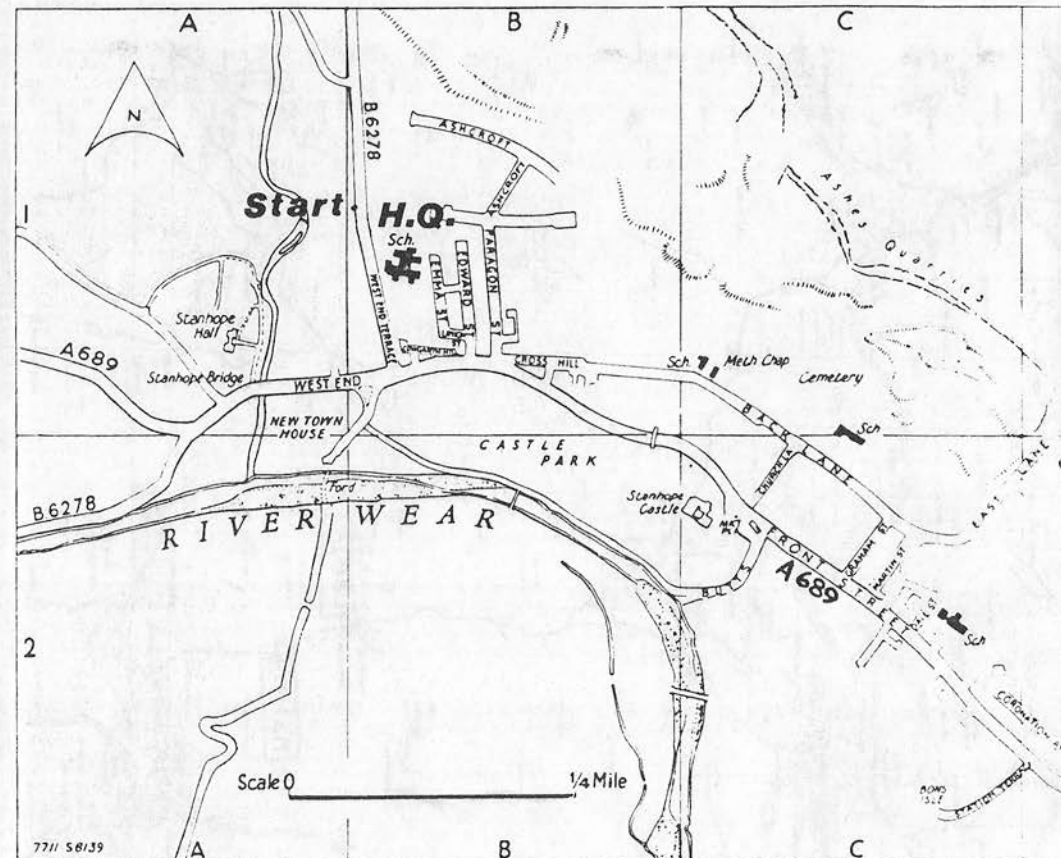

Gears are strongly recommended. Depending on the wind strength and direction on the day, and of course your own strength, the top section of the hill could be a big ring job.
