 Q10/12 Broad Oak 10 mile course.
 A new 10 mile course has been approved for use and will start and finish on the Ridge near the Cemetary and will include Queensway to Wishing Tree roundabout. Also part of Queensway will be used for a shorter distance event although the distance has not yet been decided. The starting times of some of the events on Queensway will be advised at a later date.
 In order that all these events can go ahead Keith Evans would welcome as much help as possible in timekeeping, pushing off and marshalling.
