

Hillman regains his old grading

ANDREW Hillman was the most successful of the Hastings and St Leonards Cycling Club riders at the weekend, with a fourth place ride in the Kent League road race over 60 miles at Horsmonden.

This placing returned Andrew to second category status. It also led a fine team effort for the club, with Steve Geran in sixth place and John Willis eighth.

Andrew was also successful in last Thursday's

handicap race at Brands Hatch, emerging from a field of 100 riders with a fine 10th place after a fast and furious 30 miles.

Club members rode well in the Greenwich Park Criterium Series the previous weekend, Martin Markowski coming fourth in the junior race and Jeff Smith finishing well up in the bunch. Andrew Hillman was 10th in the senior race and a visiting rider from the Schwerte club was 13th.
