Annual Dinner/Dance: The recent annual dinner/dance was discussed at some length, the outcome of which was that all reports and comments heard to date had been very favourable.

There was a small loss of £3.12 but this had been covered by a donation for the same amount.

The account of the Yelton Hotel had been paid and a provisional booking made for the last Saturday in January 1986 at the same place. The same musicians were also provisionally rebooked.

A unanimous vote of thanks was extended to Esther Carpenter for her organisation of this year's function.

Membership: Numbers now total 24 Full and 3 Associate Members.

In view of Bob Seward's support both financially and by his wish to be part of the 1066 Fellowship he was elected an Associate Member. The Chairman reported conversations he had had with Ted and Dot Harrison and of their support and it was decided to offer them associate membership.

A list of members is enclosed.

Membership Cards: In view of the numbers now in the Fellowship it was decided that membership cards were needed and Esther Carpenter offered to produce one for approval before printing a batch of 50.

Financial: Donations totalling £62 had come in and an account has been opened with the Trustees Savings Bank where all but £5 of this has been deposited. It was agreed that the £5 should be kept in hand for petty cash purposes, such as postage, etc., as the Founder Members' original donations had now been spent.

It was pointed out that we had been fortunate in that typing, paper, copying and envelopes had all been acquired by the generosity of members and sincere thanks for this were expressed.

Fellowship Wall Plaque: The owner of the Albion Hotel, Arthur Payne, a Catford C.C. member, has offered to place a Fellowship plaque on the outside wall of his hotel alongside a Catford C.C. plaque. The offer was accepted and much discussion on design took place.

When this was agreed Colin Sinden offered to arrange its manufacture and to pay the costs incurred. A vote of thanks to him for this was then recorded.

Next Get-Together: It was agreed that the next social gathering should possibly be an evening meet on a Saturday in June and those present undertook to look out for a likely venue.

Next Committee Meeting: The next Committee Meeting was arranged for Tuesday, May 7th, at 7-30pm at 16 Brading Close, Hastings.

There being no further business for discussion the Chairman thanked all for their attendance and closed the meeting at 9-30pm.

Signed: *Alloleman*.....  
Chairman of Meeting.
