GENERAL CLUB INFORMATION

All members under the age of 18 are strongly advised that they wear some sort of protective head wear when they take part in any Club time trials.

Club Runs leave the Briers at 9.00 am every Sunday.

Many members use the Sports Centre mid week mainly for circuit training.

Mid week training rides start at the begining of the year.

It is hoped to introduce touring activities and possibly hosteling and camping. Obviously this will be in the warmer months, anyone interested can contact Robert Sier.

Various Club Jerseys are available from the Secretary.

When contemplating buying new clothing and equipment please try to support our local dealers. Ken Apps in Ore village and Turners in St.Leonards both offer a good deal to Club Members.

The 1985 Club Prize Presentation, Dinner and Disco, is to be held on Saturday 7th of December at The Welcome Stranger, Silverhill. The meal will 3 course and the price will be between £5 and £6 per person.

There is a full programme at Lydden this year for the younger members, especially as it is Internatinal Youth Year. Imformation concerning all events including the Training Series at the end of the season can be obtained from Alan Brooks. As last year, assistance may be given to members who wish to attend.
