REGULATIONS governing team time trials are on Pages 77 and 78 of the RTTC Handbook. They include the rule that each member of a team "shall be attired in jerseys of similar colour and design"; that "the normal formation of a team shall be single file with a minimum amount of echelon to allow a view ahead for each rider"; and that "the time of a team shall be that recorded by the last member of the complete team to finish."

IT IS A DISTRICT COUNCIL REGULATION THAT NO VEHICLE SHALL BE PARKED ON THE ROADWAY WITHIN SIGHT OF THE START AND FINISH.
