

Congratulations to the 30 riders who braved the elements & christened our new 25 mile course, some of you no doubt later wished you had stayed in bed. Your enthusiasm to battle against the elements certainly made the task of the Marshalls worthwhile, despite the worst the weather could do.

To the Timekeepers many thanks for a job well done, I can promise that in future the grass verge at the Finish will be dry & you will not have to stand out in the rain & mud as was the case on Sunday.

To the Marshalls & Pusher Off my sincere thanks for your help in making the event a success, despite the worst the weather could do.

To those gallant souls who kept us supplied with tea, which was much appreciated by all concerned, thanks a lot.

To Ray Gearing thanks for transporting equipment & last but not least, thanks to Jim Fuller for all the assistance you gave me in this promotion.
