Many congratulations to the prize winners. The conditions were not quite as favourable as last year, but there were still some very respectable times. As seems to be the trend when the weather is anything but perfect, there was a large number of non-starters; rather disappointing considering that over 30 entries had to be returned. Thanks to those non-starters who kindly sent their apologies.

The Sydenham Wheelers Cycling Club would like to thank Anne and Mick Morris for their timekeeping duties, the Pavitt family for supplying the refreshments, and all the marshalls and other helpers for giving their time and effort to ensure the event took place smoothly.

The event secretary would like to express his apologies for not awarding the prizes immediately after the event. He has still not recovered from riding the End-to-End in 78 hours!
