

MESSAGE TO RIDERS

After a somewhat damp start, we were blessed with a reasonable day for the event, which combined with a change in the course helped to provide good mileages for the bulk of riders.

If any rider has any practical suggestions to improve the course or organisation I would like to hear from him(her). I would point out that steps have already been taken to reduce the time of use of A12 portions of course.

I, as organiser on behalf of the E.C.C.A. and you, as rider, owe a debt of gratitude to the hosts of marshalls, feeders, timekeepers etc. who "turned out", all at the correct place and at the right time, without them there wouldn't be a 'twelve'.

Hoping to see you all again next year.

BILL THORNCROFT.
