PROMOTE:

On the 27th September 1987 at 8 a.m. the third Hardriders event over 25 miles starting ¼ mile south of Pulborough on the A29.

Unfortunately, due to traffic lights in the Amberley area we are unable to continue with the normal course for this year.

However, we hope that our revised course will prove to be just as enjoyable.

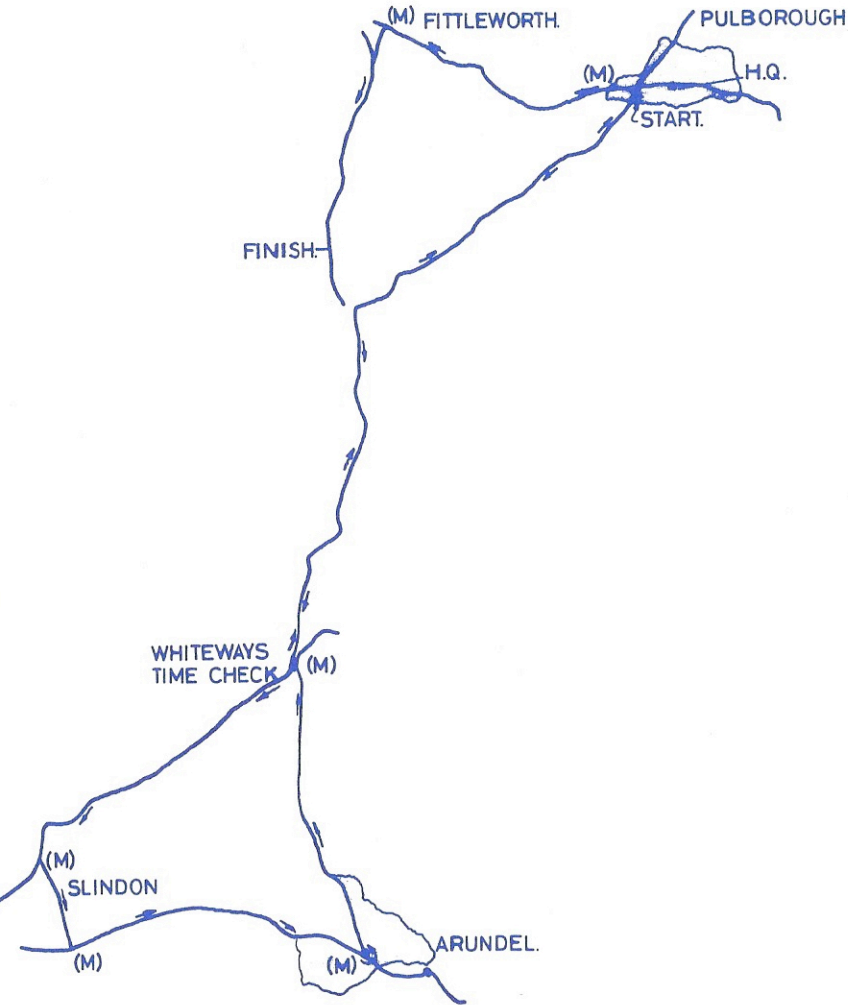

The route travels south on the A29 to Bury to the hill climb, continuing through Slindon and via Arundel back to Bury and Pulborough. Here the course turns west to Fittleworth where left to finish on the B2138.

The event includes a prize list of over £300 including a £70 first prize, a winner's sash, and a medal for all finishers.

All entries should be sent to ANDREW LOCK, at 7 WELLAND ROAD, WORTHING, WEST SUSSEX, by TUESDAY 15th SEPTEMBER 1987.
