**IMPORTANT !!**

Would riders travelling south using the M.11 please note that the section between junctions 8 and 10 is scheduled to be closed the night of 16th/17th July.

I would suggest you added 20 - 30 minutes to your journey time and used the A.505/A.1301/B.1383 as the alternative route (all sign-posted).

**MESSAGE FROM THE HANDICAPPER.**

Once again, in the interests of a fair field placing for all riders, I have ignored all requests for late starts - about 50% of the entry made that request.
